Dear CSCA Families:

We are up and rolling into a GREAT school year! I am honored to be the Head of School at Colorado Springs Charter Academy, and am determined to help us reach even greater standards of achievement, growth, and academic excellence! Thank you for the caring advice and willingness to share concerns. Though we may not always agree, your thoughts on how to improve the service we provide is always welcome and will be seriously considered in the broader context of running CSCA.

Donuts for Dads

What a success! Thank you to PTO and all the volunteers that made this such a great event and opportunity for Dads to visit with their young scholars. Muffins for Moms is coming soon!

Community Safety

We have a number of students walking home in the mornings and afternoons. For everyone's safety please....

- No U-Turns on Chelton Rd.
- Do not use neighbors driveways to turn around
- Please observe posted speed limit
- Do not block neighbors driveways or mailboxes

Thank you in advance for your help and cooperation.

Gym Floor

Our fundraising focus for this year (and probably next) will be getting a new gym floor. Hopefully you have taken the opportunity to see the improvements to the gymnasium, library, and computer lab, which are your donations at work. Now, we hope to provide a first-class gym floor for all students to benefit from.

The cost of this project is estimated to be \$25,000. This is a lofty goal, and one that may take more than one year to accomplish. Both the Booster Club and PTO will be focusing their fund raising efforts towards this mutual project, and your help is needed!

Purchased a **Safeway** or **King Soopers gift card** at the CSCA front desk.

1. At the checkout line, **BEFORE** they scan your items, tell them to **reload** your gift card with whatever amount you want and pay them for the transaction.
1. Now, pay for your groceries (gas & prescriptions too) with your gift card!
2. **CSCA earns 5%** of all purchases.
3. **Reload your card over and over, KEEP USING IT!**
