

In order to provide a positive learning environment at San Jacinto Valley Academy, all students are expected to “dress for success.” Our standard is that students are to be in the correct uniform everyday and ready to learn. All students must be in uniform at all times while on campus and at some off campus school related functions. Uniforms must be worn on fieldtrips. Parents are asked to read and understand San Jacinto Valley Academy’s dress code, support its enforcement and explore it thoroughly with their student. The following standards are designed to promote learning and safety for all students.
