OUR MISSION

Christ the King Jesuit College Prep is a Catholic, Jesuit, independent, coeducational, college preparatory school for students from families on Chicago’s West Side who would otherwise not have access to a private secondary school education. Sponsored by the USA Midwest Province of the Society of Jesus, Christ the King offers students a strong academic and spiritual foundation integrated with a Corporate Work Study Program in a safe, disciplined, faith-based and caring environment.

President Clement V. Martin with students during our Spring admissions open house.
Dear Friends and Supporters,

It is my pleasure to present to you the Christ the King Jesuit College Prep Annual Report for the 2013-14 school year. This report captures just a few of the many highlights of the year, which began by welcoming Mr. Clement Martin to Christ the King as our new president. Under Clem’s leadership, Christ the King has continued to grow and successfully serve students and families who would otherwise be unable to afford a safe, Jesuit, college preparatory education.

The successes are evident in the stories on the pages that follow. Every graduate was accepted to college -- now the third year in a row -- and the overwhelming majority of our alumni are continuing to pursue their degrees. Our incoming freshmen come from families of limited economic means, averaging $24,700 for a family of five, but are eager to work hard in the classroom and on the job to follow Christ the King’s pathway to college. And we are challenging our students to grow as “men and women for others” by adding more clubs and activities, including mock trial and drama, while doubling down on our commitment to serving others. Last year, our students committed 7,689 hours of community service, not only in Chicago, but also on service trips to Appalachia and Nazareth Farm.

All this and more would not be possible without your generosity. Thank you for your support and active partnership this past school year. YOU are truly changing lives on the West Side of Chicago.

• YOU provided real world work experience that builds lifelong skills for our students and continues to benefit our 158 alumni, like Caprishea.
• YOU inspired our students to put their faith into action in service to others, for which they received national recognition.
• YOU created opportunities to participate in activities like mock trial and shared your expertise at Career Day.
• YOU ensured that every student, regardless of need, can afford a safe, Catholic, college prep education.

In countless ways, YOU are truly making a lasting difference in the lives of our students, families, and school community.

In closing, I would like to congratulate Bob Marjan as the newly elected Board Chair, and welcome new board members Fr. Albert DiUlio, S.J., Ms. Kathy Graham, Sr. Mary Fran McLaughlin, BVM, and Mr. Mark Reilly. Finally, I would like to thank the following board members who retired at the end of this year after having served the school so faithfully during their terms: Sr. Brenda Eagan, IBVM, Dr. Alice Hayes, Mr. Jack Jiganti, and Fr. Brian Paulson, S.J. Our students and the West Side of Chicago will benefit from their many contributions for years to come.

Gratefully,

Scott Murray
Chairman of the Board of Directors
Meet J’Khai

With 13 siblings, J’Khai’s home life is often unpredictable. Despite these challenges, he has become a young leader in the Christ the King community. J’Khai brings energy, passion, and hard work to the classroom, workplace, and community, which has led to well-deserved success during his freshman year.

Christ the King’s combination of academics, work-study, extracurriculars, and service opportunities attracted J’Khai to CTK. Since arriving, J’Khai has taken advantage of many opportunities and subsequently discovered his passion to volunteer and grew his love of making music.

J’Khai lives out Christ the King’s mission to become a person for others through his time volunteering with our Christian Service Program. On many Saturday mornings throughout his freshman year, J’Khai could be found distributing food at the Our Lady of the Angels Food Pantry to those in need in the local Austin community.

After college, J’Khai dreams of becoming a professional musician and producer, but for now he carries his spirit for music with him as he plays percussion in the school marching band. While J’Khai explained the experience of playing in a band for the first time, saying,

“I love Christ the King because of the different opportunities here that I wouldn’t have had elsewhere. It really makes me happy being here where I am surrounded by positive people and a supportive community.”

Students Practice Law at the Daley Center

Through our Corporate Work Study Program, many of our students work at law firms throughout the city. David ‘16 works at Johnson & Bell, LLC, supporting their criminal defense team by filing paperwork and court documents. David and CTK’s other aspiring lawyers dream of the day when they will be making arguments and examining witnesses for the cases their firms try.

Their day in court came on April 4, 2014, at the Howlett Cup, the inaugural mock trial competition named in honor of the late Judge Michael Howlett, Jr. Organized by Dudley and Lake LLC attorney and CTK champion, Conor Heaton, and held in courtrooms at the Daley Center, Christ the King students were given their chance to build a case as both defense lawyers and witnesses, competing against Cristo Rey Jesuit, Cristo Rey St. Martin, and Loyola Academy in a mock trial tournament.

CTK moderator, Mr. Levasseur, and dedicated volunteer coaches, Maeve Kendall and Marsha McClellan, met with the team for 5 hours each school week to diligently prepare opening statements, cross examinations and closing arguments.

These opportunities are only available because of the commitment of our countless volunteers. Thank you Maeve, Marsha and all those who open doors and provide amazing opportunities for our students!

The five members of the CTK mock trial team are ready for court!

COMMUNITY SUCCESS

CTK Students Receive National Recognition for Community Service

Christ the King was named as the 2013-2014 Jefferson Awards Students in Action Regional Recipient for Outstanding Service by a High School. CTK was chosen for exemplifying the three pillars of the Students in Action Program: leadership, engagement and impact on both school and the greater community.

92% of the student body participated in volunteer efforts last school year.

Often attracting local attention for their accomplishments, our students provided over 7,600 hours of community service last school year, and more than 33,700 hours of community service since the school opened in 2008.

In total, over 430 CTK students have participated in service, benefitting over 4,000 individuals. The most popular volunteer efforts take place on Saturday mornings at Our Lady of Angels Food Pantry and the Dignity Breakfast at Our Lady of Sorrows Basilica.

The Jefferson Awards National Ceremonies are one of the country’s most prestigious celebration of public service, recognizing national figures and student leaders alike. Five members of our Students in Action Leadership Team represented CTK at the National Awards Ceremony in Washington, DC last June, which honored former Congresswoman Gabby Giffords.

We are proud of our student leaders and our school-wide culture of service in the Ignatian tradition.

Seniors Announce College Choices

Many of our students are the first in their families to go to college. Our graduating seniors announce their college choices with pride in front of their friends, families and the entire student body. This annual event, held each May is a unique opportunity for our seniors to share words of wisdom with the underclassmen and announce their college choices.

Mr. Bajner, Senior Class Sponsor, has been with this class since their freshman year. “I have watched these students transform into men and women for others,” said Mr. Bajner.

“Although I am saddened that they will no longer be leaders in the building, I am comforted by the fact that they are destined to do great things.”

Congratulations to the Class of 2014, go forth and set the world on fire!

College Signing Day serves as a unique opportunity for our senior leaders to show their peers the payoff of hard work and dedication over the course of their four years at CTK.

As the senior class sponsor, Mr. Bajner addresses the Class of 2014 during College Signing Day and graduation.

CTK’S POSSE SCHOLARS:
Mya and Aaron

CTK is proud to have had two members of the Class of 2014, Aaron and Mya, as recipients of scholarships from the Posse Foundation. The prestigious award will provide a four-year full-tuition scholarship for both students to Trinity College in Hartford, Connecticut. Mya and Aaron join last year’s valedictorian, Terumi, as CTK’s first three Posse Scholars. Terumi is currently studying at Middlebury College in Vermont.

Aaron and Mya spent countless hours during their senior year preparing for the rigorous application and interview process to become Posse Scholars, and the work continued after they were accepted. They wrote various essays, refined their resumes, and attended counseling meetings as a part of the Posse program, in addition to maintaining excellent academic and work-study standing as CTK students.

At Trinity, Aaron and Mya are connected to 8 other Posse Scholars from the Chicago area who are now continuing their education in New England.

"I’ve always wanted to go far away for college, plus it will be nice to have a group of students I know from Chicago as a support system,” says Mya. “I’m really excited for all of the opportunities to come.”

Posse Scholars graduate college at a rate of 90%, which is significantly higher than the national average. Through its strong network of alumni and job resources, the Posse Foundation will continue to support Mya and Aaron throughout their four years at Trinity, and well beyond into their future careers.

Meet Caprishea

It’s August 7th, Senior Send Off Day, and the class of 2014 is gathering one last time at Christ the King before they go their separate ways. CTK alum Caprishea Jones has come back to speak to the class and share learnings from her freshman year at Ball State University. “My advice to you is to stay focused, ambitious, and positive about your education.” A psychology and pre-med student, Caprishea knows all too well that success is never immediate; it requires work, preparation and dedication.

"I am grateful to have come from such a supportive, close-knit community that has prepared me for the challenges of college.”

Facing her most challenging class yet, Caprishea is motivated by advice from her favorite teacher at CTK. “Mr. Barlow was strict, but he was upbeat and kept it real. He told me that Organic Chemistry is the make-it-or-break-it class if you want to go on to a pre-med program. So I’m not allowing myself to get too discouraged or prideful. I’ve learned to ask for help when I need it, and I’m willing to work on this.

In this new competitive environment, Caprishea attributes her professional work experience at O’Keefe Lyons & Hynes, LLC as one of the main factors that sets her apart. After four years with the firm, she was offered a paid internship after her freshman year at Ball State.

Her time at O’Keefe has taught her how to work well with a team and how to be an active listener in order to better understand the situation - skills we know she will carry throughout her pre-med track to becoming a hardworking, caring professional.
THE CORPORATE WORK STUDY PROGRAM

Since 2008, Christ the King has provided students with a safe and academically rigorous college-prep education through an economically sustainable educational model — the Corporate Work Study Program (CWSP). More than 200 civically-engaged businesses of all sizes and industries throughout the Chicago region hire our talented students, who serve as reliable, productive and cost-effective employees.

The CWSP is a shared program of Christ the King Jesuit and Cristo Rey Jesuit. Together, these two high schools exclusively serve students and families with limited economic resources in Chicago’s Austin and Pilsen neighborhoods. Through CWSP, students earn up to 70% of their tuition, making the dream of a safe, affordable, faith-based, quality college prep education a reality. Our students also gain valuable on-the-job experience in a highly professional setting and employers are able to fill a position at a competitive cost with well-trained students, while enhancing diversity and talent pipelines.

For more information about filling a need at your office, contact Lillie Sellers, Director of Corporate Relations for CWSP, at 312-890-7871 or lsellers@ctkjesuit.org

#### Notes

(a) Pro forma for two transactions: - first, the repayment of $18.9 million bank debt at a discount and issuance of $3 million in new debt secured by donor pledges; these transactions closed on October 31, 2014; and second, the maturity of the NMTC financing transaction in 2016, followed by the extinguishment of related debt and consolidation of Christ the King Jesuit College Prep, Christ the King SPE, and Christ the King Fund.
THANK YOU!

YOU make a safe, Catholic, college prep education possible. Thank you for your support and active partnership this past school year. In countless ways, YOU are truly making a lasting difference in the lives of our students, families and school community.

THE CAMPAIGN FOR CHRIST THE KING

We are currently nearing completion of the Campaign for Christ the King which will extinguish our $18.8 million building debt for $4 million in cash and pledges. Thanks to the generosity of many people, as of November 17, 2014, we have less than $750,000 to raise to complete the Campaign and all gifts and pledges received by December 15, 2014, will be matched dollar for dollar. If you are interested in making a pledge to support our students, please contact Stephen Holte at 773-413-3509.

We are extremely grateful to the following individuals, families, corporations, and foundations who have generously invested in our $30 million campus, as of June 30, 2014. Your support will ensure that generations of students will have a safe, state-of-the-art school building to foster their growth and development as men and women for others. Thank you!

RISING LEADER’S COUNCIL

The Rising Leader’s Council (RLC) is made up of Chicago-area professionals whose mission is to support the students and faculty of Christ the King by advancing the work of the Board of Directors to make a safe, faith-based, college preparatory education a possibility for youth on Chicago’s West Side. RLC members leverage their professional networks to increase awareness of our school and to invite the professional community to engage in and support our mission and purpose. RLC members have also led or made significant contributions to CTK Career Day, College Day, Family Service Day, as well as many other school sponsored events.

WAYS TO GIVE

Thank you! Your gift will immediately help to provide a safe, Catholic, college prep education to our students. There are many different ways to give, and each gift will be designated as directed. If you have additional questions about supporting CTK, please contact Stephen Holte, Director of Development.

Christ the King Jesuit College Preparatory School is a 501(c)3 tax-exempt nonprofit organization. Our federal tax ID # is 26-0556958.

CASH
Cash donations of any size are gratefully accepted. Please make checks payable to “Christ the King” and mail to Christ the King Jesuit College Prep, Attn: Development Dept., 5088 W. Jackson Blvd., Chicago, IL 60644

CORPORATE GIVING
Many corporations already have a vested interest in our students through the Corporate Work Study Program by providing an investment in their futures. Corporate partnerships with CTK can be customized to meet the interests of the company mission and customers. Underwrite a program, sponsor a special event, do a supplies drive, or volunteer with us.

EVENTS
Join us for our King of Hearts Gala on Friday, January 23, 2015 or RISE UP hosted by our Rising Leaders Council in June, 2015. Participate as a sponsor, purchase a ticket or a table, donate an item to our auction, or serve as a member of the event committees or as a volunteer. Please contact Danyell Boyd.

GRANTS
Christ the King actively seeks support from corporate, private and family foundations to underwrite student scholarships, school programs and non-profit jobs. Should you know of a foundation that may be interested in partnering with us, please contact Katie Karich.

IN-KIND GIFTS
Please visit our website for ideas of goods and services to support our mission.

MATCHING GIFTS
Many companies have programs that match the charitable contributions made by their employees. Conditions and criteria for gift matching varies by employer. You may be able to double or triple the impact of your support with a matching gift.

MONTHLY GIVING
Your credit card or bank account can be automatically charged each month. Contact Maureen Kelly to enroll in this program.

ONLINE GIVING
Give online today! Safe, secure and easy. Visit our new website - www.ctkjesuit.org

PLANNED GIFTS
To help future generations, name Christ the King Jesuit College Prep as a beneficiary of your will, trust, retirement account, or insurance policy. Your planned gift will help provide a Catholic, college prep education for the next generation of CTK Jesuit students.

STOCKS & SECURITIES
With the market near an all-time high, gifts of appreciated stock may result in a tax savings for you! Contact Stephen Holte for additional transfer information.

TRIBUTE GIFTS
Whether in memory of a friend or family member, in honor of a birthday, wedding or other milestone, Christ the King Jesuit College Prep welcomes contributions made in recognition of all important life events. We will also send a note of acknowledgment on your behalf.

UNITED WAY
If your company’s employee giving program includes United Way, you can designate your contribution directly to CTK. Write “Christ the King Jesuit” on the “donor-option” line or provide our EIN number, 26-0556958, on your campaign giving form.

VEHICLE DONATION
Our Jesuit Volunteer program is currently in need of a vehicle in good working order for their community. Please contact Stephen Holte for additional information.

VOLUNTEER
With over 300 students, there are many ways you can volunteer to help CTK, whether a one-time event or a recurring commitment, we need your help. You could present at Career Day, proofread college essays, judge a science fair, paint a classroom, teach a class, coach a club or sport, or tutor our students.
